Please join us for our monthly ALA Charlotte Chapter meeting at noon on April 19th at Parker Poe (401 South Tryon Street, Suite 3000, Charlotte, NC 28280). An Outlook appointment will follow this email. **It is necessary to accept or decline the Outlook appointment by April 12.** The responses will determine how much food is needed for the meeting.

BLOCKCHAIN – If you don't know what it is, you should! It's coming and will change the way law firms conduct business. Check out a short video explanation of what Blockchain is here!

Joe Copley is the owner of Copley Internet Systems, a Charlotte-based web design and hosting firm founded in 1997. He is the creator of oldhouses.com. Joe is an organizer of Charlotte Blockheads, a blockchain-related meet up group, and is currently forming a startup focused on blockchain development, consulting, and investment opportunities.

Darrell Jones, the VP of Business Partnerships, joined the Tech Talent South from Atlassian, where he was Global Director of Enablement. Previously, he worked at SAS, the predictive analytics software company. At SAS, he led a sales team focused on growing business partnerships internationally. This included living in Australia (yes, he rode a kangaroo to work) for 6 years, leading a business development team across Asia. When he's not trying to explain DevOps concepts (always fun!), he's teaching his 4 kids how to rock climb, wake surf and the greatness of cheesy 80s' movies.

Cost for members is $20 and the cost for non-members is $25.

Checks should be made payable to ALA Charlotte Chapter and submitted to:
