As the Charlotte Association of Legal Administrators begins a new year (April 1st), I wanted to take a few minutes to let you know what we have in store for you this year and to solicit some information from you. The Education Committee has an exciting lineup of topics for our upcoming meetings. Below is a list of a few of them (but look for the usual meeting notices in your in-box).

April 19, 2018 at 12:00 at Parker Poe

Topic: **BLOCKCHAIN** – If you don't know what it is, you should! It's coming and will change the way law firms conduct business. [Check out a short video explanation of what Blockchain is here!](#)

May 24, 2018 at 4:30 p.m. at VBGB

Topic: Purely Social, join us for our Spring Social Event. There is no cost and it gives you a chance to build bonds with other Chapter Members and our Gold Sponsors.

June 21, 2018 at 12:00 at Alston & Bird

Topic: Jeff Butler will enlighten us on Multi-Generational Management, a topic we are all facing.

The Education Committee continues to work on booking exciting and current topics for the remainder of the year. But we want to hear from YOU! Please reply and let us know what topics you are interested in learning about.

Please consider joining one of the Charlotte ALA Committees. We promise, it will not dominate your free time and many hands make quick work. Your leadership is what makes the ALA so effective. Below is a list of the Standing Committees, Chairperson and email contact:

Business Partners	Kevin Miller kevin.w.miller@alston.com

They are ready for you to reach out to them. So, get involved and see what the ALA can do for you. We're looking forward to an exciting year and we want to see more of YOU!

Best,

John
